Inspection Date

May 25, 2027

Expiration Date

This company will maintain this facility in compliance with the checklist requirements and promptly correct any deficiencies that develop.

 *Operations Manager*

Signature of Company Official & Title

NOTICE: The checklist verifies that the plant facilities are deemed satisfactory for concrete production when operated correctly. However, compliance of the concrete with specification requirements must be confirmed through standard inspection methods and sales agreements.

This certificate is issued by the National Ready Mixed Concrete Association (NRMCA) to confirm that the production facility complies with the requirements outlined in Section 3 of the NRMCA Quality Control Manual for Ready Mixed Concrete Production Facilities. Unauthorized reproduction or misuse of this certificate may result in legal action.
